with a personal touch

## MEETING THE HIGH STANDARDS OF HIS PROFESSION

"Becoming board certified involves a stringent process of extensive education, training, and testing. I'm proud to have met the high standards of my colleagues in medical care. My certification means you can have complete confidence in my skills as a dermatologist."

**BOARD CERTIFIED:** American Board of Dermatology

## AN EDUCATION YOU CAN TRUST

"Education is the foundation upon which a successful practice can be built. I feel fortunate to have been able to study at respected institutions. The knowledge I have gained allows me to offer my patients the kind of quality care they deserve."

**M.D.:** The Ohio State University College of Medicine, Honors - Division of Dermatology

**DERMATOLOGY RESIDENCY:** The University of Tennessee College of Medicine

**INTERNAL MEDICINE PRELIMINARY RESIDENCY:** The University of Tennessee College of Medicine

**ADVANCED TRAINING:** The use of antibiotics and antifungal medicine in the treatment of psoriasis; the use of the EpiScope, a noninvasive way to diagnose early melanomas

## SHARING KNOWLEDGE WITH OTHERS

"I'm honored to be able to pass along what I've learned through presentations to colleagues, research, and published articles. Through this sharing of knowledge I am able to help more patients receive the skin care they need."

**PRESENTATIONS:** Antimicrobial treatment of Psoriasis

**PUBLICATIONS:** Common skin disorders, acne, warts, psoriasis

## STAYING ON THE LEADING EDGE OF SKIN CARE

"The interaction with my peers and colleagues through professional organizations gives me access to new and changing information, so you benefit from the latest advances in dermatology."

**MEMBER:** American Academy of Dermatology, American Medical Association, AAD - Epidemiology Interest group, Nashville Dermatology Society, Coffee County Medical Society

**504 N. JACKSON ST. • SUITE 101 • TULLAHOMA, TN 37388 • PHONE: 455-7400**
